Background Checks

To ensure you are happy with the people working for you, we do comprehensive background checks to ensure that the people we recommend are a potential right fit for your organization.

Our thorough screening process covers academic qualifications, employment history, criminal records, and professional references.

We do this to help our clients make informed decisions to minimize risks associated with employment, ensuring a safe and trustworthy workplace.

Recruitment

Our recruitment process is designed to match the best talent with the right opportunities. We source, interview, and place candidates across various industries, utilizing our extensive networks and techniques to identify professionals who align with your company's goals and are likely to fit within your organizational culture.

We streamline the hiring process to save you time and resources while delivering exceptional talent to drive your business forward.

HR Consultancy

Whether you need support with HR strategy development, policy formulation, or compliance with labor laws, Taro Links provides strategic guidance and practical solutions to optimize your HR functions.

We work closely with you to understand your unique needs and deliver customized solutions aligned to your business goals, ensuring effective and efficient HR management. We work reliably so that you can focus on other aspects of your business and accelerate your growth.

HR Audits

Conducting regular HR audits is crucial to maintaining a compliant and efficient HR department. At Taro Links, we perform thorough HR audits to assess your current practices, identify gaps that need intervention and advise on relevant measures to ensure compliance with relevant laws.

Our audits cover employee records, payroll, benefits administration, and workplace policies and other areas, giving you actionable insights to enhance your HR operations.

Employee Handbook & Policies

Creating a comprehensive employee handbook and clear policies is essential for setting expectations and maintaining consistency within your organization.

We assist in developing detailed handbooks and policies that reflect your company's values and legal requirements. Our expertly crafted documents serve as a valuable resource for employees, promoting a positive work environment and reducing the risk of misunderstandings and disputes.

Payroll Management

Efficient payroll management is important for compliance. We offer reliable payroll services to aid processing of employee salaries, taxes, and benefits.

Our payroll solutions help reduce your administrative burdens, allowing you to focus on other pressing aspects of your business.

With our expertise, you can be confident that your payroll is handled with precision and confidentiality.

Labour Outsourcing

Our labor outsourcing services provide flexible staffing solutions to meet your business demands on short notice.

Whether you need temporary staff for a short-term project or long-term support, we offer skilled professionals who can seamlessly integrate into your team.

By outsourcing your labor needs, you can reduce operational costs and increase efficiency.

Performance Management

The progress of your business depends on the performance of the people you hire.

We identify high performers, seek development areas, and offer feedback and suggestions that foster a culture of excellence.

We help set clear objectives, plan and implement regular performance appraisals, and give insightful feedback. With us, you can drive employee productivity towards meeting your business goals.
